Tournament Changes

Follow regular schedules and allow free access to fluids

Tournament Changes

To allow for a two minute water break into the middle of each half which will occur at a stoppage of play close to the midway point of each half. This stoppage does not affect the game length. This is not a coaching break.

Tournament Changes

To allow each game to be shortened by five minutes per half. Each half will continue a two minute water break as describe above.

Tournament Changes

Heat, inclement weather or other emergencies may cause a suspension of games. Note: games that are suspended are not necessarily canceled.
